

# 90 – Day Notice of EVV Compliance for Cures Act Personal Care Services Providers

## What's new

Effective Jan. 1, 2022, the payers, HHSC and Blue Cross and Blue Shield of Texas, will begin Electronic Visit Verification compliance reviews to ensure Cures Act Personal Care Services providers are in compliance with EVV requirements and policies. Cures Act Personal Care Services were required to use EVV by Jan. 1, 2021 due to federal requirements and are listed on pages 2 and 3 of [Personal Care Services Required to Use EVV \(PDF\)](#).

Payers conduct EVV compliance reviews on a regular basis and may initiate contract or enforcement action for dates of service on or after Jan. 1, 2022 for program providers, Financial Management Service Agencies and Consumer Directed Services employers who do not meet any of the following EVV compliance requirements:

- EVV Landline Phone Verification: ensures valid phone type is used
- EVV-Required Free Text: ensures required free text is documented
- EVV Usage: ensures the minimum EVV Usage Score has been met
  - **Note:** The CDS employer EVV Usage review grace period has been extended to **Aug. 31, 2022**. A notice will be provided prior to the end date of the grace period.

Payers will not start reviews until the EVV visit maintenance time frame is expired.

## Grace Period

Cures Act Personal Care Services received a grace period from Jan. 1, 2021 through Dec. 31, 2021.
