May 2021

The Availity Fee Schedule tool allows professional providers participating with Blue Cross and Blue Shield of Texas (BCBSTX) to electronically request a range of up to 20 procedure codes and immediately receive the contracted price allowance for the patient services you perform.

Fee Schedules are accessible to existing Availity Administrators and users assigned the Fee Schedule role in Availity. If you are not yet registered, sign up today at Availity C, at no cost.

Information in this user guide is not applicable to Medicare Advantage and Texas Medicaid. Their fee schedules are available in Availity by selecting the Claims & Payments menu, Fee Schedule Listing, and then choose the appropriate Additional Fee Schedules for Medicare and/or Medicaid. They can also be found via the Resources tab in the BCBSTX-branded Payer Spaces section in Availity.
